

Leadership Training Parent Recommendation Form Instructions

Dear Parent or Guardian,

If you're reading this, it's probably because your son or daughter is interested in attending our Leadership Training (LT) program this summer. We are very excited about the opportunity to serve and train students at our summer program. Thank you for taking the time to get informed about our church and LT!

New Life Church is a non-denominational church that's custom-built for college students and located right on the campus of the University of Michigan in Ann Arbor. For more information about our history, core values, statement of faith, current activities and contact information, please visit <http://www.nlcweb.org>.

Leadership Training (LT) is our hallmark training program for college students. For over twenty years, the LT experience has been a turning point in the lives of thousands of students. LT is a unique summer experience designed to inspire students to become leaders for Christ. It is a training ground designed to help each student grow in their relationship with God, forge healthy relationships with others, develop personal and spiritual maturity, gain practical Biblical instruction, enhance life skills, and make an impact in their community. For more information about LT, please visit <http://www.nlcweb.org/lt>.

As part of the application process, each Leadership Training applicant is required to secure a reference from a New Life Church staff member, as well as a written recommendation from their parents.

We support you as a parent, and truly desire that you be informed about the LT program and what it involves. Therefore, we require each applicant to obtain their parents' written advice/permission before they can be accepted into our program. Your comments will be an important factor in our consideration of your son or daughter's acceptance into LT.

We welcome you to take part in any of the LT activities. Please feel free to call New Life Church at 734.623.6313 or e-mail us at info@nlcweb.org for more information or with any additional questions.

Parent/Guardian Advice:

1. We have encouraged our son/daughter to participate.
2. We are not opposed to our son/daughter participating, but we have the reservations listed below.
3. We have advised our son/daughter not to participate for the reasons listed below.

Please type the corresponding number along with additional comments in the field below:

We have discussed our son's/daughter's plan to apply for New Life Church's summer Leadership Training program. We understand that NLC will provide opportunities for leadership and Christian ministry training. In addition, we discussed with him/her that each Leadership Training participant is required to meet the financial obligation of the LT program. We also understand that NLC is not providing housing and food for LT participants for the summer but is merely advertising sublet apartments and houses in Ann Arbor for him/her to secure on their own.
